Piles are swollen veins which are sometimes broken in the lower end of your bowels. They may cause fistula, abscesses, ulcers and infection in the rectum. Don't let your piles run on until you must have a surgical operation. But do not treat them with harsh patent medicines, some of which require the use of hard rubber or metal tubes. For hard things should never be put into the tender rectum except upon the advice of a physician. Ask your druggist for Unguentine Rectal Cones. They bring the same blessed comfort to piles that Unguentine brings to burns and cuts. They are soft, pleasant and easy to put in. They quickly relieve the burning, bleeding, paining, itching, swelling, bulging piles and help to prevent infection in the rectum. Ask your druggist for Unguentine Rectal Cones by name and get what you ask for.

Asserts Referendum Is People's Privilege

Battle Creek, Mich, March 1. Editor, Enquirer and News:

O. C. Atkinson's declaration that the drys are opposed to referendums was no news. I think however that he should have qualified his statement. Not all of the drys are opposed to referendums.

The American people have the right to express their opinion on national policies. The people have the right to reexpress their opinion on this policy whenever a sufficient number want a referendum. That is a principle of democracy and it should not be abrogated for the pleasure of anyone. Mr. Atkinson intimates that a

referendum is not a legal process. Since when hasn't it been a legal process? It is the most sensible way to approach the prohibition question. When the drys oppose referendum proposals it suggests that they are afraid of a test. If the majority of citizens want prohibition why not demonstrate it? If a majority do ers and members of the orchestra. not want it they have a right to make their views known.

I don't believe in liquor. I worked for prohibition to rid us of the saloon. Lately, however, I am doubtful, too, of the number of citizens who want prohibition. I think other citizens are, too, and the only fair way to find out is ers, of course, accept his gratuities, through a referendum. This is the but with a decided curl of the lip. legal way, the just way and the way of democracy's principles.

People who oppose this principle only weaken their side and alienate others who otherwise might support them. The constitution should not be sacrificed even for prohibition. -Robert O. Jennings.

"Check and Double-Check"

To radio listeners this slogan has a very familiar, though somewhat flippant ring.

Seriously employed, it carries an important message to the manufacturer, the merchant, the professional man-and to the housewife as well.

Pay by Check and Have a Double-Check!

An ordinary receipt may be questioned. There may be many a slip in the payment of even ordinary expenses, by cash. Lapse of memory is only one of the many possible slips.

Payment by check affords a double receipt—it is a "double check." It is a definite record of where your money really goes.

A checking account in the Commercial Department of the Central National Bank is more than a public convenience. It is doing business in a business-like manner.

You too, should have a Central National checking account and a "double check."

Every child's stomach, liver, and bowels need stimulating at times, but give children something you know all about.

Follow the advice of that famous family physician who gave the world Syrup Pepsin. Stimulate the body's vital organs. Dr. Caldwell's prescription of pure pepsin, active senna, and fresh herbs is a mild stimulant that keeps the system from getting sluggish.

If your youngsters don't do well at school, don't play as hard or eat as well as other children do, begin this evening with Dr. Caldwell's

Syrup Pepsin. This gentle stimulant will soon right things! The bowels will move with better regularity and thoroughness. There won't be so many sick spells or colds. You'll find it just as wonderful for adults. too, in larger spoonfuls!

Get some Syrup Pepsin; protect your household from those bilious days, frequent headaches, and that sluggish state of half-health that means the bowels need stimulating. Keep this preparation in the home to use instead of harsh cathartics that cause chronic constipation if taken too often. You can always get Dr. Caldwell's Syrup Pepsin at any drug store; they have it all ready in big bottles.

Mrs. Donald A. Zinn was elected president of the women's or-ganization of Marywood Country club Wednesday afternoon at the March luncheon meeting which was held in Kellogg Inn. The other members elected to the staff were Mrs. Glover Bennett, first vice president; Mrs. Ralph Shulters, secre-tary; Mrs. E. L. Emmerson, treasurer; Mrs. J. Jones Martin, house chairman; Mrs. J. B. Allen, golf chairman; Mrs. R. D. Davis, bridge chairman; Mrs. D. R. Stillson, entertainment chairman; Mrs. C. J. Argubright, publicity. Mrs. Ronald M. Ryan, retiring president, conducted the meeting, which was preceded by a lovely 1 o'clock luncheon in a private apartment in the Inn. The tables were adorned with potted red tulips. The hostesses for the day were Mrs. R. D. Davis and Mrs. Robert McCoy. Bridge was the pastime of the afternoon, Mrs. C. L. Ford winning high score prize and Mrs. Ralph Shulters, low.

Mrs. W. B. Hobbs and Mrs. L. F. Peck united in giving a bridge party Wednesday afternoon at the home of Mrs. Peck, 17 Pioneer, for the Lakeview school shoe fund which is sponsored by the Lakeview Sunshine circle. Cards were played at eight tables, Mrs. Frank Rogers winning high score prize and Mrs. Herbert Lippencott, low. Tea was served with a hostess at each table. A green and white color scheme was followed in the decoration, menu and tallies. Mrs. H. E. McKelvey provided the spring flowers for the decorations, Next Wednesday afternoon a card party will be given by Mrs. H. M. Whitmore, 262 Twentieth street, with Mrs. Herbert Hayes as assisting hostess.

Mrs. A. W. Herrick was hostess to the members of the parent-teacher unit of Washington school, at her farm home near Bellevue Wednesday. A cooperative dinner was served at noon for 20. A miscellaneous shower was given for Mrs. Herrick's daughter-in-law, Mrs. J. R. Herrick of Goodale avenue, who was present. The afternoon was spent with visiting and looking over the gifts of the shower. Mrs. A. W. Herrick was formerly president of the parent-teacher unit of Washington school and was an active member until she moved from Roseneath avenue to their farm home

One Has Best Chance This bill has been sidetracked for some time, partly to give right of way to the other relief measures but largely on account of the introduction of a second measure having the same object. The other measure is included in the general banking bill sponsored by Senator Glass of Virginia. The Thomas-Beedy proposal, standing alone as an emergency measure, could presumably be passed as quickly as the other relief legislation already enacted. The Glass plan, however, is embodied in the complex and farreaching bill sponsored by the Virginia senator for making many changes in the federal reserve system and in banking practice. Some details of Senator Glass' general banking bill have given rise to strong differences of opinion. It certain the Glass measure as a will entail long debate, opposition, and perhaps demands for further hearings in committee.

Easy to Start Argument At all times measures dealing in detail with technical aspects of banking and currency are provocative of argument and delay. RICH food ... strong coffee ... heavy smoking. Then the penalty for indulgence. Digestive

People who are haunted by this form of suffering simply have not learned its one common cause. Usually, it's the fault of too much acid.

Meats, fish, breads, pastry can easily cause over-acidity, and this destroys the alkaline balance; foods won't digest. They can't. Nothing ever tastes good. One cigar—and you are logy as if you had smoked ten. Things you eat sour in the stomach, causing pain, flatulence. Your head aches, and you are constipated. Those are

danger signals; Warnings that you are in immediate need of an anti-acid! Heed them, and meet that need at once with a little Phillips' Milk of Magnesia.

Milk of Magnesia.

A creamy, pleasant - tasting spoonful will neutralize many times its volume in harmful acid. But take it for several days, till the whole digestive system is sweetened. Until the appetite returns, and that sourness is all dispelled, and every sign of overacidity has disappeared.

Doctors endorse Phillips' Milk of Magnesia. So be sure you get Phillips' and not a substitute. All drug stores have genuine Phillips' Milk of Magnesia in 25c and 500 bottles.—(Adv.)

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world tooks punk, don't swallow a lot of saits, mineral water, oil, lazative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels, Gas blosts up your stomach. A BUSHEL COVERS A MULTITUDE OF WEIGHTS Conflicting state laws render very difficult an adequate determination of the status of the Bushel as a unit of measure in this country. Some commodities in the different states are sold by what is known as "struck measure," while in others "heaped measure" is compulsory. In the absence of national legislation there is an amusing divergence in the definition of a bushel in the various states. To quote only one commodity, a bushel of apples is 50 pounds in Arkansas, 48 pounds in Vermont, 47 pounds in Illinois, 45 pounds in Montana, 44 pounds in Maine, etc.

Of course a washing machine saves you work. But even if you haven't one, washing doesn't need to be the backbreaking job it used to be.

The New Oxydol floats dirt out safely in 15 minutes. Sprinkle it in your washtub and you'll understand. It makes 50% more suds-richer, quicker, longer-lasting suds-

That's why this mild soap can save you so much work and time - its extra suds take the place of rubbing - they soak dirt out of clothes and hold it out-they never collapse and let the dirt fall back - they never ball up or leave a scum.

Try the New Oxydol. See how much it lightens all your housework - how easy it is on hands. It makes rich, cleansmelling suds in any water - and all water hardens when you add dirty clothes or dishes.

CHAMBER FIGHTS

New Rate Zone Costing Battle Creek Business Thousands Is Under Investigation.

WILL PROTEST TO U. S.

Case is to Be Taken Before Interstate Commerce Commission As Discriminatory.

Discriminary freight rates which went into effect December 3 and will cost Battle Creek business thousands of dollars are to be thoroughly investigated and the stayed execution of the death senting the stayed execution of the stayed execution commerce commission.

E. C. Nettels, president of the Chamber of Commerce and traffic manager for the Postum Co., brought the matter of the new rates before a meeting of the Chamber of Commerce board last month and a transportation committee, headed Eugene Wallace, was appointed to look into the matter. Put in New Zone

Mr. Wallace reported to the board at a meeting Wednesday noon. Under the new arrangement Battle Creek is in a zone with Kalamazoo for the basing of east and west bound freight rates, making the charge to ship goods here from easterr points as large as that to send the same goods to Kalamazoo or Galesburg. There are six main class rates on different types of freight and the average increase in cost of shipping goods here is two to three cents a pound over the former arrangement.

Battle Creek formerly occupied a separate zone, the limits of which extended no further west than this city. The present zoning is favorable to points in the eastern part of the state as there are three zones east of Jackson. The first inthe second goes to and includes Ann Arbor and the third is from Ann Arbor to and including Jackson. The first is a short zone and the other about 35 miles in length while in length along the Michigan Cen-Otsego and Plainwell.

At the left is an exclusive picture of Charles A. Lindbergh, Jr., now 20 months old, in his bed. At the right, the child is shown in the arms of his mother, Mrs. Anne Morrow Lindbergh, when the boy was six months old, at the home of his grandfather, the late, Dwight Morrow, former ambassador to Mexico and senator from New Jersey. The Morrow home at Englewood, N. J., is about 90 miles from the scene of the kidnaping at Hopewell, N. J.

The first faint trail of the kidnapers of Baby Lindbergh was struck by troopers in the soft loam of the Hopewell estate soon after the abduction was reported. Telephoto above shows Lieutenant Large, center, of New Jersey state troopers, and Trooper Suchmel, left, following imprints of the high heel of a woman's shoe and the heavy tread of a man leading away from the newly constructed Lindbergh home at a point beneath the nursery window.

Skimming over hundreds of letters in his rack in the busy Newark (N. J.) postoffice, a mail sorter singled out the postcard shown in telephoto above. Startled, he notified authorities. Within a few minutes word was flashed to Colonel and Mrs. Lindbergh. Alone in their estate near Hopewell, N. J., they received the first clue that indicated their little son, Charles, Jr., might be safe.

The celebrated Secret Six, nemesis of kidnapers, bank robbers and other denizens of gangland, last night expressed a desire to assist through its head, Col. Robert Isham Randolph, for the last two years a leader in the civic drive on crime.

The state's attorney's office was reported to have delegated Pat into the Sourland hills to kill fox and recent captor of an alleged midwest kidnaping ring, to finecomb the Chicago area for possible clues to the abduction. And from his prison cell in the

county jail, "Scarface Al" Capone the deposed gang lord, announced he would pay \$10,000 for information leading the safe return of the Lindbergh boy and the arrest and conviction of the kidnapers. "It's the most outrageous thing

RESIDENT OF CITY FOR FORTY YEARS IS DEAD

Mrs. Elizabeth Shrock Seymour, 75, a resident of Battle Creek for the last 40 years, died at the home of her niece, Mrs. William Hershberger, of 107 Purl, Goshen, Ind., Monday night at 11 o'clock of valvular heart disease. Mrs. Seymour had lived for the last four years with her daughter, Mrs. Allen Johnson, 35 North Ravine, and had only been visiting her niece for the last two sitting quietly in a chair, and was sudden and unexpected. She was the widow of the late Martin E. Seymour who died in 1928. She was born in Holmes county, Ohio, August 21, 1864. Besides her daughter. Mrs. Johnson, she is survived by one other daughter, Mrs. Lee Dunn, 311 West VanBuren; two sons, C. C. Shrock, 11 Jay, and Samuel Shrock of Lansing. Funeral services were held from the Culp funeral home in Goshen, Wednesday afternoon at recently arrived in Poland from the 1:30 o'clock. The Rev. G. T. Soldner was in charge of the services and burial was made in a private One of the largest electromagnets cemetery near Goshen.

New York Sergeant Who Protected Him After His Paris Flight Gets Assignment.

New York, Mar. 3 .- (AP) -Sergeant James Finn, who guarded Col. Charles A. Lindbergh during the boisterous days after his Atlantic flight, was sent to the Lindbergh estate today to represent Po-lice Commissioner Edward P. Mulrooney during the search for the kidnaped Lindbergh baby.

The decision to send Sergeant Finn, it was learned, was reached at a lengthy conference between Mulrooney, Chief of Detectives John J. Sullivan, and Harry Bruno, who pathy in the hardest heart, the was Colonel Lindbergh's personal man's face drawn and white, the representative at the time of the ocean flight.

Sergeant Finn will not take active part in the search around Hopewell, N. J., as that is being handled by the New Jersey authorities, but will act as liaison man between Colonel Lindbergh and Commissioner Mulrooney in connection with all New York angles of the case. At the conference in Bruno's

New Jersey Coast Quard Goes Into Action After Rum Runner Tells Story.

Asbury Park, N. J., Mar. 3-(P) A rum runner's story of passing s 30-foot cruiser on which a man was seen and a baby's cry was heard sent coastguard craft racing along the Jersey seaboard today in the latest phase of the Lindenbergh baby kidnap case.

The rum runner, whose name was not revealed, told his story to Guardman Thomas Harris of the Deal station. Superintendent O. R. Sands immediately broadcast the alarm to all coest guard craft in the region. The rum runner said he came upon the cruiser 20 miles off Scotland light and at that time he did not know of the kidnaping. This happened last night after the rum runner had failed to make contact with the liquor ship from which he was to have taken on cargo and was

on his way back to shore. The cruiser, "a dirty white craft," appeared off the rum runner's port bow, and the man on board haffed the liquor runner, he said. "My compass is broken," he yell-

ed, and waving a \$100 bill offered to buy the rum runner's compass. The rum runner said he refused to sell, but offered to repair the broken compass. He pulled alongside the cruiser and was about to board it when a baby cried below The man slammed the hatch and the cruiser glided away without Montana provides a minimum another word being spoken.

Editorial Comment and Sympathy for Parents.

London, Mar. 3 .- (P)-The kidnaping of Charles Augustus Lindbergh, Jr., aroused the entire British p. .ss to indignant editorial comment today.

Under the caption, "A Monstrous Crime," the Daily Telegraph said: "Few more open challenges to civilized government ever have been ventured. Every citizen of America who is able to do so feels he has play his part in rescuing the whole world will enter into the acute anxiety of his parents and share in a hope for the child's

speedy recovery.' "If this cruel and miserable method of intimidation with a helpless child as its victim," the Manchester Guardian said, "is really the work of 'racketeers' and if the outcome of it is not a genuine and determined effort to end the whole deplorable business in all its ramifications, then the rot must be sunk very deeply into American life."

Maybe they needed money to buy licenses for their cars or perhaps funds to pay winter taxes. Whatever the cause more loads of farm produce including wheat, beans, rye corn, oats, and clover were brought to the Battle Creek farm bureau by growers of the Battle Creek farm area the forepart of the week than at any other time this season.

On several occasions loaded wagons were forced to wait their turn in line. Farmers, in preparation for the spring planting season, were making many purchases. Miles of fence and hundreds of posts were sold. Growers this year show little preference between steel and wood posts. Many sales of garden seeds, fertilizer and spraying materials also were made.

Scarlet Fever Epidemic Now Under Control in Vermontville After Month of Illness.

(Special to the Enquirer News) Vermontville, Mar. 3.—The scarlet fever epidemic which swept into Vermontville over a month ago has been checked, A. E. Crook, village health officer, says. Thirty-two persons have been named on the health records as ill with the contagion. Now, however, only eight cases remain under quarantine.

Maude Mary Corey, daughter of Mrs. Marion Corey, will be out of quarantine Saturday. Garold and Geroldine Lunstrum, son and daughter of Mr. and Mrs. William Lunstrum, are still ill. Billy Slout, son of Mr. and Mrs. L. Verne Slout, is confined at the home of his grandmother, Mrs. William Slout. Three children of Mr. and Mrs. Sarah Poulsen, Cleora, Clarice and Richard, are quarantined. Leonard Aldrich, son of Waldorf Aldrich, is still ill. There is sincerity and suavity, nobility and exquisite beauty embodied in all his work, and the evident keen enjoyment he experiences in playing for his public creates an atmophere of intimate friendliness.

A Haydn Sonata opened the program, and then the Bach C major suite No. 3, was played without plano accompaniment, and on this appearance Bach lost all his dry, musty preciseness and became a smooth-flowing masterpiece of beauty. Two Faure numbers, Elegie and Papillon, made up a second delightful group, but the final group was the gem of the evening, including as it did three selections, Le Cygne (Saint Saens), Serenade (Kautzenbach) and La Fileuse (Dunkler), which gave opportunity for a display of delicate, atmospheric color in the interpretation of

Those who did not join the local association during the drive last year may do so now and hear the series planned for next year as well as this closing concert of the present season. This step has been taken by the executive committee of the association to encourage more residents in Battle

Creek to join the association. The Little Symphony is that of George Barrere who is appearing tonight in East Lansing in joint concert, as a flutist, with Lewis Richards, harpsicordist. The other artists whom the Community Concert association has brought to Battle Creek this year are Richard Crooks, Jeanette Vreeland and Robert Goldsand.

Union Pacific, for instance, opened up 2 1-2, then slid back two. Auburn had another sinking spell, showing a loss of five points before support appeared. American Telephone rose 1 1-2 points, fell back 2 1-2, then recovered partially. U. S. Steel rose a point, then slipped back. People's Gas was under some pressure, losing three points, and Bohn Aluminum lost as much, on the dividend omission. The list showed some signs of stiffening in the early afternoon, when prices generally were close to yesterday's final levels.

Because of recent rapid strides of the British government in reducing its foreign banking indebtedness, the weekly Bank of England statement attracted considerable attention today. Circulation increased to £351,785,000 against £346,404,000 the week before. Reserve ratio declined to 36.9 from 43.7 percent. A nominal gain oc-

curred in bullion holdings. The Bank of England did not lower its discount rate still further today, as some quarters had anticipated, but this came as no great surprise in view of the traditional policy of the British central bank to feel its way carefully, particularly after its accomplishments already scored in the past month.

Further reflection of favorable world reaction to the recent British announcements was shown in the opening transactions for cables. Mack Truck 16%

When You Buy a •PHILCO• You buy with confidence

No Annual or Semi-Annual Changes in Models

Philco is constantly improving its product mechanically and occasionally a new cabinet design makes its bow, yet owners of Philco Radios are assured of an up-to-date set at all times. There is no junking of complete lines, making obsolete the set that may have been purchased just a few months or weeks before. PHILCO assures you that your set will be a current model for its natural life. Proof of this lies in the fact that sets that we sold a year and

eighteen months ago are still being sold. True enough, there are some improvements in the set of today but it is not apparent to the casual observer. This policy of keeping your set upto-date has built for PHILCO an enviable reputation. We are proud of the fact that this public approval has made it possible for us to become the largest manufacturers of radios in the world. In the past year nearly as many PHILCO radios were made and sold as all other makes combined.

It Costs Less Than the Price of a Movie Once a Week to Own a Philco

And it brings you entertainments that cost hundreds of thousands of dollars from every point of the globe. What greater satisfaction—What better reason to make your investment in PHILCO NOW!
